# About Open High School

## A school that students can attend from anywhere around the country

★ Open High Schools are established as affiliated schools at prestigious public high schools across the country.

## A school that you go to twice a month

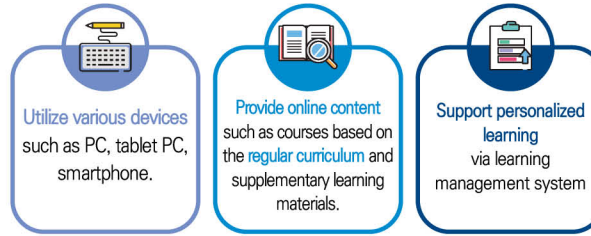

★ Offline classes occur twice a month (every other weekend), and students take online courses through during the week. Face-to-face classes and various school programs are offered on school days.

※ Offline class schedules may differ by the school.

## A school that provides digital-based learning

★ Students can study online using Open High School Learning Management System.

## A school that provides customized education programs

★ Open High School offer education programs customized for students.

### Tutoring Program

+ Level specific support program for students to improve basic English and Math.

### Lifelong Education Program

+ Personality education program to prevent teenage students' school dropout and support returning students.  
+ Lifelong education program to support adult learners' life design.

### Personality & Career program

+ Online psychological tests and experts' on-site consulting service.

## A school that acknowledges various learning experiences

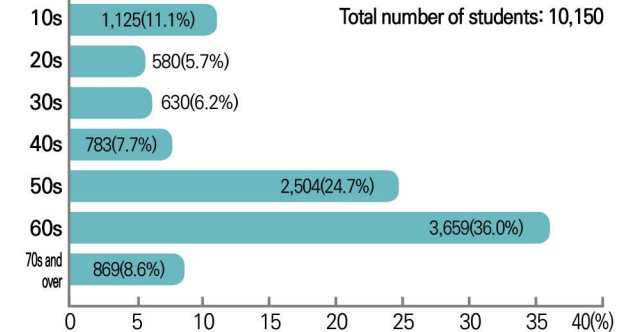

★ Students can get their learning experiences outside of school (Licenses, passing the qualification exam before admission) recognized as the equivalent of a curriculum subject via the recognition of prior learning.

# Q&A

**Q** Can seniors apply to Open High School?

**A** Yes, anyone who is qualified to enter high school is given an equal opportunity for secondary education regardless of age.

+ Students by Age (as of April 2021)

**Q** Is it possible to maintain a balance between work and study?

**A** Yes, offline classes occur twice a month (every other weekend), and students take cyber courses through the internet anytime and anywhere, so students can have both work and study life.

**Q** If I graduate from Open High School, Can I apply for the university?

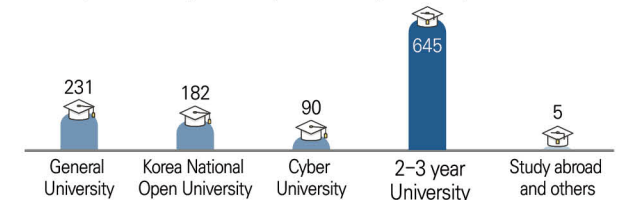

**A** Yes, if you graduate from our Open High School, same as regular high school's required years of education, you will obtain 3 years of a regular high school diploma and you are eligible to apply for the university.
